**DCM Services Named “Best Place to Work in Collections” Fourth Year in a Row**  
*Deceased Collections Industry Leader Receives Honor From insideARM.com*

**MINNEAPOLIS (October 6, 2011)**—DCM Services, LLC, the industry leader in deceased account recovery, has been named one of the “Best Places to Work in Collections” for the fourth year in a row. The Best Places to Work in Collections survey and award program was designed to identify, recognize and honor the best places of employment in the collections industry. Winners of this program, created by *insideARM.com* and Best Companies Group, had to fulfill a number of eligibility requirements and were chosen based on an evaluation of each company’s employee survey, workplace policies, practices, philosophy, systems and demographics.

“We’ve long believed that treating our employees well is just good business. Working with people who have lost a loved one requires compassion, energy and training, so DCM Services has created a positive work environment for employees that is revitalizing and supportive. It’s what makes us a different – and better – place to work and do business with,” said Ben Boyum, chief executive officer, DCM Services. “We’re proud DCM Services continues to be recognized throughout the industry for the dignified and respectful approach our employees take when working with survivors. “

Out of the more than 5,000 collection agencies in the United States, DCM Services was one of only 30 companies to be named to the list of “Best Places to Work in Collections.” This is the fourth consecutive year DCM Services has achieved this honor. Employees at DCM Services work flexible schedules in a supportive, achievement-oriented environment and enjoy ongoing training and development opportunities. DCM Services offers a strong benefits package, including a 401(k) program with a company match. Employees have access to an onsite workout facility and a dedicated staff lounge. They are also eligible for a rewards program and receive twice weekly chair massages, monthly catered lunches and daily catered snacks.
